

The Department of Developmental Services, in partnership with the Institute for Community Inclusion / UMass Boston presents:

## TRAINING FOR MASSACHUSETTS EMPLOYMENT SERVICE PROVIDERS

### Strategies for Discovery and Career Planning

It's more important than ever that job seekers are using their time well to prepare and plan for entering or re-entering the workforce. Participants will learn how to coordinate and implement person-centered planning strategies during these challenging times. This 2-session online training series will cover strategies to assess job seeker's employment goals, abilities, interests and capacities.

#### TOPICS INCLUDE:

Identifying personal and family networks, developing vocational profiles and schedules, evaluating situational assessments, creating 30 Day Placement Plans and using Discovery to identify vocational goals and maximize information gathering. Participants are expected to attend both sessions.

#### GENERAL INFORMATION

##### Letters of Completion

Letters of Completion will be provided upon completion of both training sessions.

##### Accommodations

Captioning will be provided. All other requests for disability-related accommodations should be submitted.
